**CUSTOMER STORIES**

Trusted by the kindest clients

Here's a glimpse into the heartfelt experiences of our incredible clients.
Your trust fuels our passion.

"Kilian immediately understood my idea and vision. He was super professional and at the same time really honest and authentic. Kilian gave me really good guidance and feedback throughout the whole process. He worked really fast and I had nothing I wanted to change about the result. It turned out exactly how I wanted it to."

Malou Idler
Mediator, Systemic Coach, Supervisor & Consultant

"We are very grateful for the superb cooperation with LOKKEE STUDIOS. We at LITTLE ASHÉ felt that we were being taken care of professionally. With Kilian's expertise, we were able to achieve exactly the result of our website that we had imagined. We can wholeheartedly recommend his work and look forward to more great projects."

David Amoateng
CEO of LITTLE ASHÉ

"We placed our complete trust in Kilian and it paid off as our expectations were fully met. The result. The aesthetics of our website are outstanding and the work is 100% recommended."

Kira Kröger & Sonja Eichhorn
Founders of Shoppistica

"Kilian immediately understood my idea and vision. He was super professional and at the same time really honest and authentic. Kilian gave me really good guidance and feedback throughout the whole process. He worked really fast and I had nothing I wanted to change about the result. It turned out exactly how I wanted it to."

& Consultant

"Great to work with Kilian! Kilian is very responsive and skilled professional designer, who enriches your views with creativity! Will surely work with Kilian again!"

Yasser Chehade
CEO of BEE PaPS GmbH & Co. KG

"We had the pleasure of working with Kilian on a critical project for our business: migrating our webshop from WooCommerce to Shopify. Choosing Kilian as the right person for the job was paramount and the communication was outstanding. His expertise, professionalism, and dedication to our project were evident in every interaction. We would not hesitate to recommend Kilian as he is a true professional who delivers outstanding results."

Olaolu Fajembola & Tebogo Nimindé-Dundadengar
Founders of Tebalou GmbH
